

To be able to open, edit and save the match report as PDF, you must first install the program **Cutewriter** that you find in your PDA when you connect to your PC (see instructions below, **you only need to do once per PC**. It can also be downloaded from our website, www.spintso.com)

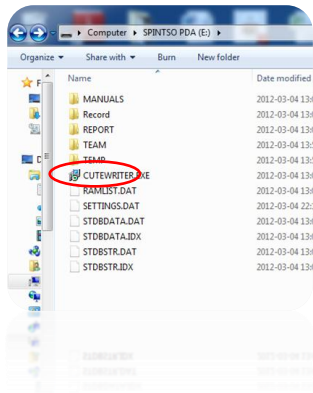

1.

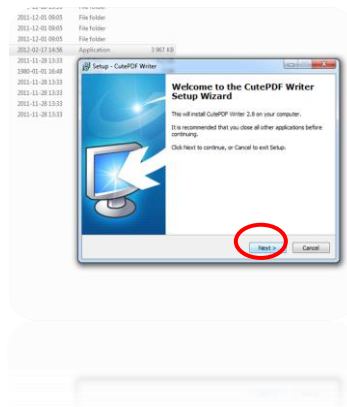

2. Unless the PDA file is opened automatically, click on computer

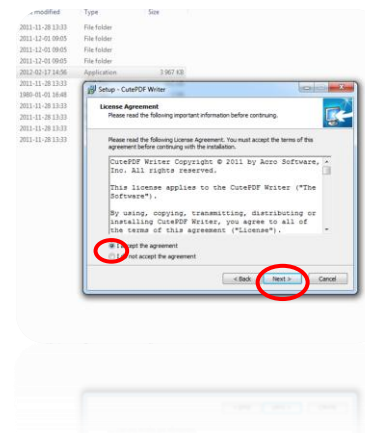

3. Click on SPINTSO PDA (SPF)

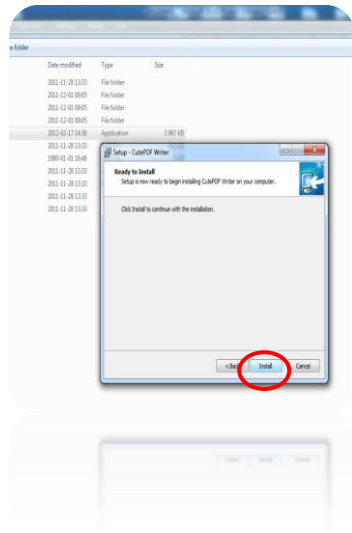

4.

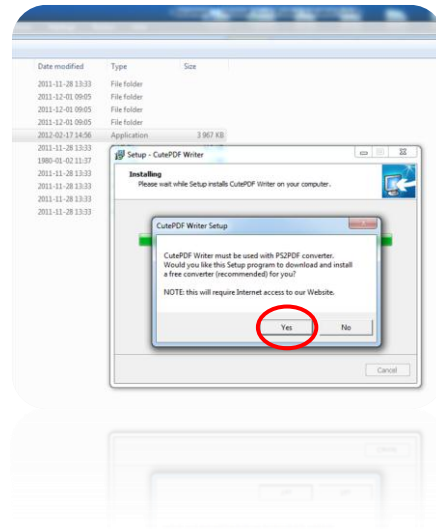

5.

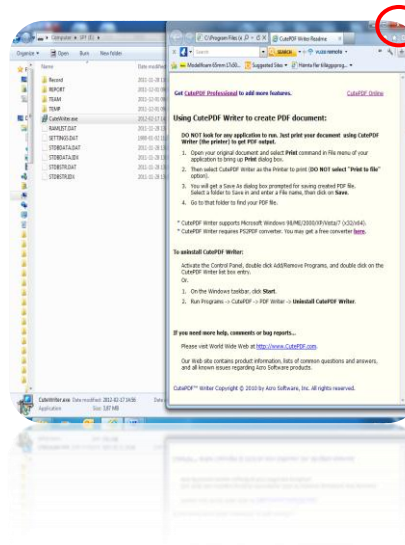

6.

7.

8.

9.

The program is now installed in your PC.
